ITS NOT GOODBYE, ITS SEE YOU LATER

It is bittersweet to announce that one of Petroleum Club at Sundale's team members will be moving on to her next adventure in her career to become a winemaker. Jenna Storey joined our team in October of 2020 and has worn many hats: bartender, server, banquet captain, Marketing Coordinator, Membership Director, Event Coordinator, Wine Curator. In June she will be moving to Paso Robles to work full-time at Sextant Winery as a part of their Harvest Cellar Team.

"My experience at Petroleum Club at Sundale will be something I will cherish forever. It has been an honor getting to know the members of these two amazing Clubs and I'd like to thank Jay and Dr. Patel for seeing it in me to serve as a leader here. I have greatly appreciated all the hugs, smiles, and laughs that we have shared over the past two years. Thank you from the bottom of my heart!" - Jenna Storey

Let us all wish Jenna the best of luck on her new endeavor. Cheers!
